SIR,

Question of the continuance of the Orderly formerly attached to the Chief Sanitary Inspector to the District Medical & Sanitary Officer, Bangalore.

I have the honor to bring to the notice of Government that Government in their order No. 2179-80/L.B. 1-23-14 dated 15th September 1923 had sanctioned an orderly for work under the Chief Sanitary Inspector, eversince the creation of that post. The Chief Sanitary Inspector's post was abolished with effect from 9th April 1927 and the payment to the orderly who was working under him was also stopped. The District Medical Officer, who was then appointed to look after the Chief Sanitary Inspector's duties, has intimated that the services of an orderly is required for his work as Sanitary Officer. The matter was considered by the Standing Committee and the District Board at their meeting held in the month of January 1928. The Board are of opinion that the services of an orderly for work under the District Medical Officer is very essential, as he has to tour out in the District for District Board work such as Sanitation, Vaccination, Control of Epidemics, etc., and have sanctioned the continuance of the orderly under the District Medical and Sanitary Officer. A copy of the Board's resolution is herewith attached for favour of information.

In these circumstances, I request that sanction of
